POSSE's Power Circle

Structure, Support & Strategy — Together

Monday Momentum for Goal Seekers

What It Is

POSSE's Power Circle is a bi-weekly, facilitated mastermind designed to help goal-driven professionals move from intention to execution. Grounded in the principles of *The Success Principles* by Jack Canfield, this structured space provides clarity, accountability, and momentum — week after week.

This is not just another meeting. It's a strategic advantage.

Why Masterminds Matter

- Start each week with **direction**
- Turn goals into **consistent action**
- Build momentum **week over week**
- Align time management with intention

What a Monday Power Circle Looks Like
